Tentang Bulan Bahasa

Sejak 1988, Majlis Bahasa Melayu Singapura telah menganjurkan Bulan Bahasa untuk menggalakkan masyarakat Melayu menggunakan bahasa Melayu dalam kehidupan harian. Sebagai pewaris bahasa dan budaya Melayu, kitalah juga penerus bahasa agar bahasa dan budaya Melayu kekal relevan dalam setiap generasi masyarakat kita. Pelbagai kegiatan Bulan Bahasa telah dirancang untuk menyediakan suasana bahasa yang menarik minat masyarakat mengambil bahagian dalam kegiatan Bahasa Kebangsaan ini.

About Bulan Bahasa

Bulan Bahasa was first launched in 1988 by the Malay Language Council, Singapore, as an initiative to encourage the Malay community to embrace the Malay language in their daily lives. Users of the Malay language are heirs and ambassadors of the rich Malay language and can ensure the continuity of the language through the continuous usage. From being a biennial event, Bulan Bahasa since 2010 has become an annual event. The various activities of Bulan Bahasa have been created to promote and instil greater confidence in and mastery of the Malay language.

Tema Bulan Bahasa

Bulan Bahasa 2016 mengajak kita menggunakan bahasa Melayu untuk tujuan meraih dan menyampaikan ilmu, memasyarakatkan kemurnian adab dan budaya serta mengukuhkan jalinan kemesraan sesama kita. Oleh itu, gunakanlah bahasa Melayu agar ilmu dan budaya kita tetap terpelihara dan kemesraan terjalin ketara. Dengan terlestariannya bahasa, dapatlah kita mewariskannya kepada generasi sesudah kita.

Themes for Bulan Bahasa

The Malay language as 'Ilmu, Budaya, Mesra' reflects its importance throughout all layers of the society. When we use the Malay language, we are able to preserve the knowledge and culture, as well as to foster ties that matter. Our language will also be conserved through its continued use, allowing us to pass it on to the generations after us.
